

Invitation for Membership in the Hillside Club

We are delighted that you're interested in joining the club.

The HSC has thrived as a community club, owned and operated by its members, for 125 years. Most events are open to the public as well as club members, who usually get a discount on admission fees, whether for attending a concert, lecture, film, dinner, dance, game party, book group, or morning Chi Gong class.

Membership -- \$160 per year -- is for one person only; a couple counts as two members. Our fiscal year starts June 1, so if you join after December 31, we will only charge for half the year, or \$80.
